WHAT'S NEW?

We're excited to kick off another great school year and to work with your school again as you plan and implement **Reality Town!**

Last year, we announced that a new update was coming — and it's finally here. 🎉 Our **2025 Update** has officially launched! Along with this update, we've refreshed our look by designing new **handbooks** and **business instruction cards** inspired by our original logo.

We've also updated our **Presentations**. When you purchase the update, you'll receive an email with a link to download the new Presentations. Please note:

- You'll have **2 weeks** before the link expires to copy them onto your Reality Town Flash Drive (this will override the old presentations).
- If you miss the deadline or don't receive the link, just give us a call and we'll resend it.

Later this year, you can also expect to see a **new website design** with a fresh look!

Cost of the 2025 Update:

- **\$55.00** for the Update
- **\$10.00** additional if you need a new Flash Drive

2025 Update includes:

What's included in the 2025 Update: 3–4 laminated **Business Instruction Cards** for each of the following businesses:

- | | |
|------------------|---------------------------------|
| • Child Care | • Transportation |
| • Clothing | • Pet Store |
| • Communications | • Financial Counseling |
| • Entertainment | • 2nd Jobs List |
| • Groceries | • Military Recruitment |
| • Car Insurance | • Investments |
| • Personal Care | • Link to Updated Presentations |

If your budget won't allow for the update this year, we still have about **1,000 of the older books available**, first come, first served.

ODDS & ENDS

We're clearing out some card sets with our **old logo** to make room for the new ones. These sets (Dental, Medical, Just My Luck, and Home Improvements) are on sale now for **\$18** each for just the cards no box or \$20 per set with a box.

KIT PARTS WEARING OUT?

Need replacement materials?

- **Complete sets** of business instructions (with or without the Presentation Flash Drive)
- **Individual business instructions**

These items and other Kit Parts are available from us. "Updates & Parts" order form is found under the Resource link at the top of the home page at www.realitytown.com.
